

An Independent Agent Representing Aflac

Thank you for taking your valuable time to see what Aflac has to offer. My name is Lester Park and the point of contact representing Aflac for the State of South Carolina Employees, through **SCEIS payroll deduction, wage type 2005 and 2050, voluntary benefits**. Most everything we do is through email or a phone call to assist the employees in their needs. If need be, we can also stop by for an appointment to review our benefits with you. We have agents all across the state assisting in every county.

- The top program most employees ask about is the **Short Term Disability**. This is a **guarantee issue** program, which helps cover the employee for the **1st 90 days**. The payroll deduction for this program is based on your income and age. The semi-monthly deduction for SCEIS attachment will help you determine what your payroll deduction will be, for your specific coverage. If your income is not shown on the attachment, simply call or email and I can make it available to you.
- The **Aflac Accident Advantage** covers the employee **24 hours a day and 7 days a week!** This program is available for the whole family and semi-monthly deductions through SCEIS are on the attachment as well. **A Wellness Benefit of \$60 is available once per calendar year when you have exams similar to, blood screening, annual physical, pap smear, mammogram, dental, eye, psa, just to name a few. A brochure can be emailed at your request for review.**
- Several employees are concerned about **Cancer Protection**, with the risk for men being, **1 in 2 men have a lifetime risk of developing cancer and a 1 in 3 risk for women**. Aflac started the **Cancer Program in 1958**. The other companies, that offer the cancer coverage, are trying to mimic what we do. We are rare in the fact the **children are free** under our Cancer program, till the age of 26. **We also have a Wellness Benefit for all covered members of \$75 each year, per person, for that yearly cancer wellness checkup. A brochure can be emailed at your request for review.**

Other programs that may interest you are: **Whole Life Insurance, Critical Illness and the Hospital Choice programs**. As I mentioned, everything can be done via email and a phone call at your convenience.

If you would like to hear more about Aflac coverage, simply email or call with that request to: **Lester Park 803-316-4415 or [lester\\_park@us.aflac.com](mailto:lester_park@us.aflac.com)**. **All of our programs are portable, payroll deducted and there will be no rate increase when you decide to leave the State. Aflac believes in keeping it simple for getting coverage and filing claims!**

**Thank you for learning more about Aflac.**

**Lester Park**
