SCDC MINIMUM AND FEMALE SECURITY INSTITUTIONS
IN-PERSON VISITATION PROCEDURES

- I. Inmates will be screened for signs and symptoms of COVID-19 utilizing standardized inmate screening questions.
- J. Inmates will have their temperature checked.
- K. Inmates who do not clear the screening will not be allowed to visit.
- L. Inmates with a temperature of 100.0 or greater will not be allowed to visit.
- M. Staff shall wear proper PPE during visitation.
- N. Staff screening visitors will exchange gloves and hand sanitize between each search of a visitor.
- O. SCDC's Division Director of Infectious Disease Management and The Deputy Director of Operations/designee will consult to decide the visitation status of an institution with any active inmate or staff Covid-19 cases.
- P. Visitation may be conducted inside and/or outside (if available and at the Warden's discretion). Inclement weather may result in the cancelation of any approved outside visitation.
- Q. Vending machines will be accessible. Food or drink will not be shared between visitors and inmates.
- R. Restrooms will not be accessible. Visitors are encouraged to utilize restrooms prior to arriving at the institution.
- S. IRC photos may be taken at a location approved by the Warden in accordance with PS-10.03 "Inmate Representative Committees".
- T. Visitation tables and chairs will be sanitized prior to use, between each visitation period, and at the end of the day.

IV. Rules for Visitors

- A. The rules of conduct and dress code outlined in the SCDC Visitation Policy apply to all in-person visits.
- B. A surgical mask will be required for visitors during screening and through the entire visitation period.
- C. Visitor restrooms are not available inside the institution.
- D. Visitors are requested to immediately inform the institution if they receive a diagnosis or develop signs or symptoms of COVID-19 within 48 hours after a visit.

V. Rules for Inmates

- A. All inmate rules and regulations for visitation, as stated in the Visitation Policy apply to all in-person visits.
- B. A surgical mask will be required for inmates during visitation.
- C. Inmates requesting to utilize the restroom will be returned to their housing unit/living area and the visitation period will be canceled.

VI. Supervision of Visits

- A. Visitation staff will wear appropriate Personal Protective Equipment (PPE) during visitation.
- B. Visitors will be asked to exit the visitation area and maintain social distance (6 ft).
- C. Visitation chairs and tables will be sanitized between each use.
- D. Vending machines will be sanitized between each use.
