Annual PREA Report

PREA Standard §115.87 (e) states, "The Agency also shall obtain incident-based and aggregated data from every private facility with which it contracts for the confinement of its inmates." Further, PREA Standard 115.89 (b) also states, "The agency shall make all aggregated sexual abuse data, from facilities under its direct control and private facilities with which it contracts, readily available to the public at least annually through its website or, if it does not have one, through other means."

The South Carolina Department of Corrections (SCDC) contracts with CoreCivic for the housing of certain SCDC inmates in confinement. CoreCivic must also comply with the Federal PREA Standards. The CoreCivic Safety - Tallahatchie County Correctional Facility houses these inmates. Please click on the link [in the prior page](#) for CoreCivic's PREA Annual Report files.
